

MERRIMACK VILLAGE DISTRICT

May 23, 2018

Dear Resident:

We wish to inform you that the Merrimack Village District will be repairing a water leak at 6 Kyle Road on Thursday, May 24, 2018. **Your water service will be off beginning at 8:00am to completion (up to 3:30).** Please use caution as there will be equipment in the road for digging. The work may also may disturb sediment in the mainlines causing "brown water" and air in the service lines to your homes. This is not a health issue and there is no concern drinking the water. Within 24 hours the water will settle and clear. To prepare please fill gallon containers or a bathtub with water for use during this time.

If you have any questions, please call the MVD at 424-9241 x100.

Sincerely,
Stephen Chase
Assistant Foreman
