Dear Customer:

Merrimack Village District wishes to inform you that there is work scheduled to be performed on the waterline in your area. The work is being performed by Weaver Brothers as part of the Bedford Road Bridge Replacement. The scheduled work will be affecting your water service in the early morning of **Monday June 24<sup>th</sup> 2019 From 8:30 to completion. Your water service will be interrupted** during this period of time. If there are concerns please call the number below, leave a contact name and number if our foreman (Dave) is not available, he will return your call. The work may disturb sediment in the mainlines causing “brown water” and air in the service lines to your homes/ Business. This is not a health issue and there is no concern drinking the water. Within 24 hours the water should settle and clear.

If you have any questions, please call the MVD (Dave) at 603.424.9241 ext 108

Sincerely,

Peter Bates  
President
